Letter Between Son and Dad

Dear Dad,
School is really great, I am making lots of friends and studying very hard. With all my stuff, I simply can’t think of anything I need, so if you would like, you can just send me a card, as I would love to hear from you.
Love, Your Son

The Reply

Dear Son,
I know that astronomy, economics, and oceanography are enough to keep even an honour student busy. Do not forget that the pursuit of knowledge is noble task, and you can never study enough.
Dad
Question:
If it was possible I would like to invite the following people to visit my school for a day.
**Issues:**

“Too often teachers don’t ask, don’t listen and don’t care about boys”  
(OECD research)

Over the last 30 years  
“throughout the western world, boys have dropped their motivation levels in schools”  
(Sax)

**IGS program:**
Monitor all aspects of their schooling

• Academics
  ⇒ Before commence Middle School
  ⇒ Favourite subjects/reasons.
  ⇒ Changes in results-early intervention (Learning support)
The Four Pillars symbolise the values/mission statement of the Middle School. It acts as an overall goal for our boys in and out of the classroom and helps to track a student over the three years in the Middle School.
Behaviour and Relationships Program

“Boys are wayward, uncivilised and very much in need of discipline” (Aristotle).

“Aggressive boys who are confronted at home instead of negotiation to resolve conflicts are being educated that only aggression resolves problems” (Pollack).

**IGS program:**

- Firm but fair discipline (Issue based never personal).
- William Glassers (10 step discipline plan).
- Bill Rogers (Intrusive steps to maintain discipline).
- Zero – tolerance to bullying.
- 14 point anti-bullying program (Anti-bullying policy, confidential surveys, active and passive supervision).
- D.O.B policy (**Don’t Obey Bullies**).
- Taking responsibility for your actions policy (To avoid the Wussification syndrome – blame game – cloak them in cotton wool, outsource their development to lawyers) (Carr – Gregg).
Rock & Water
Rewarding Boys’ Programs

**Issues:**

- “Praising boys form an integral part of a boys’ education” (Lillico).
- “A lot of boys believe only athleticism in Australia is admired over academic success” (Gross).
- “The Arts/Drama subjects are seen as ‘girl subjects’. Boys who study these subjects are seen as ‘gay’, ‘sissy’s’, ‘un-masculine’ (Boy code—in Australian schools). (Pollack, Lillico, West)

**IGS Program**

- Middle School Assembly
- Headmasters’ Assembly
- Newsletter
- Middle School Honour Roll
- Inter-form competitions
- Year 8’s in sport and non sporting activities
- Year 7 Transition Cup
- Boys of sport, non-sport and academic abilities are acknowledged for their successes.

Boys’ Education Project 2010

Which extra-curricular activities are seen as more important at our school?

- Non-sport: 0%

Empowering Boys’ Program

**Issues:**
“Boys need empowerment in schools. They need a say in school / classroom rules to break the perception that teachers don’t care or listen to boys” (West, 2004).

“Student empowerment improves boys’ learning and helps with the transition to new curriculum outcomes” (Lillico, 2006).

“Empowerment helps boys connect to their peers and their schooling” (Bennedick, 2004).

- Middle School Council

A Boy-Friendly Literacy Program

Issues

• “Universally, boys reject school literacy. However, they have very rich literate lives outside of school” (Wilhelm and Smith)

• “Boys typically score lower than girls on standardized tests in the language arts” (Ontario Education - Canada)

• “In 2001, a Progress in International Reading Literacy Study (PIRLS) showed girls outperformed boys in reading in all 34 countries that participated.”

• “Research in Australia, UK and the USA over the last two decades find that boys' literacy levels relative to girls have declined.” (Brown and Fletcher)

• “One in six people on the UK struggle with literacy” (National Literacy Trust)

• “Early as Year 3, boys fall behind girls by 10%.” (Australian Education Report)
ACER research shows low levels of literacy... are important factors in early school leaving, which in turn affects the prospects for further education or employment. Literacy is an important tool which enables people to access opportunities at school and after leaving school. To not attain competency in literacy is to severely restrict life choices”

(Rowe and Rowe)
