*Global Partners* are organizations that team with IBSC to champion boys’ education worldwide and discover the best learning practices for boys. Each partnership is designed to meet the needs of both IBSC and the partner organization through a combination of in-kind and financial contributions and a mutually beneficial package of benefits.

IBSC welcomes the opportunity to work with industry partners who support and celebrate boys’ education. We look forward to connecting with anyone interested in learning more about IBSC and its schools. Please contact Amy Ahart at [ahart@theibsc.org](mailto:ahart@theibsc.org) with any questions.
