**Letter Between Son and Dad**

Dear Dad,
School is really great, I am making lots of friends and studying very hard. With all my stuff, I simply can’t think of anything I need, so if you would like, you can just send me a card, as I would love to hear from you.

Love, Your Son

**The Reply**

Dear Son,
I know that astronomy, economics, and oceanography are enough to keep even an honour student busy. Do not forget that the pursuit of knowledge is a noble task, and you can never study enough.

Dad
