

Circles of Reflection  
SHARING OUR STORIES

---

**APPLICATION TO PRESENT A BREAKAWAY SESSION AT THE LOCAL  
IBSC 2016 ANNUAL CONFERENCE HOSTED BY  
ST DAVID'S MARIST INANDA**

The theme for this year's local IBSC Conference is, "*Circles of Reflections: Sharing our Stories*". In line with the theme, we invite delegates to apply to share their stories, insights and knowledge on areas of school life they are passionate about in breakaway sessions. The format of such breakaway sessions will ultimately rely on the responses we receive.

Each breakaway session will be 45 minutes in length and presentations may take various formats which are outlined below. The length of presentation can either fill the 'Full Session' of 45 minutes or be a 'Quick Fire' presentation which will be added to other 'Quick Fire' presentations around the same/similar topics to fill the 45-minute session.

**INDIVIDUAL PRESENTATION:** An individual delegate gives an in-depth presentation on a particular practice, approach, or topic relating to the Conference theme/topics. Discussion and involvement are essential.

**COLLABORATIVE PRESENTERS:** A team of delegates from the same or from different disciplines or schools present together on a practice, approach, or topic relating to the conference theme/topics. Discussion and involvement are essential.

**ROUND TABLE DISCUSSION:** The presenter serves primarily as a moderator to lead a group discussion on a particular topic that relates to the Conference theme. The moderator facilitates and manages discussion and participation, and provides summary reflection.

In order to facilitate the organisation of such sessions, we require that you complete the following information on your proposed session and email it to [IBSC2016@stdavids.co.za](mailto:IBSC2016@stdavids.co.za) attention, Tony Williams. This email address can also be used for any queries.
