

2016 IBSC ANNUAL CONFERENCE: SPONSORSHIP OPPORTUNITIES

We invite you to become a sponsor for the 2016 IBSC Annual Conference, June 26–26, 2016, hosted by St. George's School in breathtaking Vancouver, British Columbia, Canada. If you're looking for an opportunity to meet and talk with dedicated educators and/or want to reinforce your image as a leader, there are several available opportunities. Review the sponsorship packages below to see which one is best for you.

The IBSC is uniquely positioned to champion the benefits of boys' education through global collaboration, and the IBSC Annual Conference is recognized as being the premier professional development opportunity for those dedicated to the best learning practices for boys. Last year's IBSC Annual Conference had over 650 registered attendees—educators from around the globe, spanning 12 countries and 5 continents. This year's conference is expected to be even larger!

***GLOBAL PARTNERS:** Global Partners are organizations that partner with the IBSC in championing boys' education. Each program is designed to meet the mutually beneficial needs of the IBSC and the partner organization through a combination of in-kind and financial contributions and the desired package of benefits.

The IBSC is delighted to work with industry partners who support and celebrate the education of boys. We would be very pleased to speak with anyone interested in learning more about the IBSC or IBSC schools. Contact Amy Ahart at ahart@theibsc.org with any questions you may have.
